Subject: snowflake instance

Hi Dr. Simon,

I hope you are doing well. A snowflake instance is created for the students to access. Each student will need to request snowflake access through the [BMI intake form](#) before access can be granted to this instance.

Account URL: https://jy08831.us-east-2.aws.snowflakecomputing.com

No user accounts have been created so far. We will have to fill out the intake form as well.
